

## Community Doctor / General Practitioner (Volunteer)

Are you a doctor looking to make a direct impact in your community?

Chez Doris is seeking a dedicated volunteer Community Doctor or General Practitioner to provide essential medical care to marginalized women at our service points in downtown Montreal. This is a unique opportunity to use your skills to help women experiencing precarity and/or homelessness access primary health care.

### **Responsibilities**

- Provide compassionate and comprehensive primary care to women.
- Conduct medical assessments, diagnoses, and treatment plans for a diverse range of health issues.
- Prescribe medications and provide referrals as needed.

### **Requirements**

- **Minimum of 3 hours (1 half-day) per month** at the clinic.
- Active license to practice medicine in Quebec (Collège des Médecins du Québec).
- Bilingual (French and English).

### **Assets**

- Familiarity with trauma-informed care principles.
- Experience working with Indigenous populations.
